The Mission...

Growth Partnership for Ashtabula County exists to “coordinate and direct public and private efforts to achieve economic prosperity and improve the quality of life for all of Ashtabula County.” With 20 years in operation, Growth Partnership for Ashtabula County is pleased to offer a variety of services to support new and existing business. We would encourage you to contact Growth Partnership for Ashtabula County today to find out how we can help.

The Foundation...

Growth Partnership for Ashtabula County was created in 1990 and is focused solely on assisting businesses and boosting economic growth within Ashtabula County. The partnership is a collaboration of business, civic leaders and public sector representatives, which teamed up to form and fund this private organization. Growth Partnership for Ashtabula County has approximately 55 Trustees who fund and participate in the overall success of this economic development catalyst.

The Services...

Bank relations	Technology issues
Environmental issues	Business relocation
Existing business expansion	Intergovernmental relations
Infrastructure	Ohio’s loan and incentive programs
Ohio’s Department of Development	Short and long term financing
Raw materials resources	Workforce training and re-training
Supplier base	Tax abatement and incentives

The Guide...

This directory includes Ashtabula County manufacturers, producers and suppliers of durable and non-durable goods, raw materials, wholesale goods and industrial services. Growth Partnership for Ashtabula County considers this directory to be a valuable resource for Ashtabula County’s local economy. Companies are listed alphabetically.

The Disclaimer...

This directory is updated annually to serve the Ashtabula County community. If you would like your company to be included or have any updates on a listed company, please submit your information via fax, directly on our website or by emailing Hattie Grubke-Barnard at hattie@ashtabulagrowth.com. Changes and updates were requested through the mail, email and with verbal communications. The accuracy of the data is based upon the information supplied to Growth Partnership for Ashtabula County. Names, addresses and telephone numbers may have changed after publication of the directory. If you are aware of any inaccuracies please contact Growth Partnership for Ashtabula County by calling 440.576.9126.

Ashtabula County Economic Development Team

Growth Partnership for Ashtabula County

440.576.9126

Located in the Robert S. Morrison Center for Economic Development, Growth Partnership for Ashtabula County is focused on assisting businesses and boosting economic growth within Ashtabula County.

The Small Business Development Center (SBDC)

440.992.6162

Located in the Robert S. Morrison Center for Economic Development and the Ashtabula Area Chamber of Commerce facility, the SBDC is designed to provide quality assistance to small businesses and entrepreneurs in order to promote growth, expansion, innovation, increased productivity and management improvement.

Ashtabula County 503 Corporation

440.576.9138

Located in the Robert S. Morrison Center for Economic Development, the Ashtabula County 503 Corporation is a private, non-profit 501(c)(4) organization that operates a county-wide Revolving Loan Fund (RLF); administers RLF's for municipalities'; acts as administrative agent for Small Business Administration loan guarantee programs; and is a conduit for state and federal assistance to businesses in Ashtabula County.

Ashtabula County Port Authority

440.576.6069

Located at 91 North Chestnut Street in Jefferson, the Ashtabula County Port Authority is a county agency empowered by the Ohio Revised Code with the mission of promoting economic development activities in Ashtabula County. The Port Authority acts as a development agency maintaining ownership of two industrial parks.

Ashtabula County Board of Commissioners

440.576.3750

Located at 25 West Jefferson Street in Jefferson, that Ashtabula County Board of Commissioners had administrative powers over county government operations. Strong supporters of economic developments, the County Commissioners assist in the attraction and retention of industry through a variety of programs including tax incentives/abatement and public infrastructure.

ACCESS – Ashtabula County

440.576.3125

Located in the Robert S. Morrison Center for Economic Development, ACCESS creates a greater awareness of the need for higher education; and assists residents to identify and obtain the resources necessary to access post secondary opportunities.
